REPORT OF GROUNDS AUTHORITIES CONFERENCE
WITH THE WEST AUSTRALIAN FOOTBALL LEAGUE.

A meeting of representatives from the various Ground Authorities and the West Australian Football League, was held in the League Rooms, Hamburg Chambers, Hay Street, Perth, on Wednesday, February 10th at 8 p.m.

There were present, Messrs R. G. O'Neill, P.G. McMahon and W.R. Orr representing the W.A.F.L., Messrs Luth & Irvine (Subiaco) Appleton and Jones (Midland Junction) Braithwaite (Perth Council) and J. Rushton (W.A.C.A.) Fremantle and North Fremantle Councils appointed delegates but the meeting found both Councils unrepresented.

The meeting followed on a Conference held at Claremont which was adjourned to enable Mr. O'Neill, who was about to visit the Eastern States, to enquire into the grounds agreements in Melbourne, Adelaide and Sydney. Mr. O'Neill's enquiries were made available to the meeting and after considerable discussion delegates carried unanimously a motion to recommend to their governing bodies the following:-

- 1) That ladies tickets are to be restricted to matches in which the team whose ticket they possess is participating and that they admit to all parts of the ground.
- 2) Gentlemen's tickets are available to the inner reserve when the team whose ticket they possess is playing on their home ground and to the outer reserve when the team is engaged away from their home ground. Ticket holders may transfer from the outer reserve to the inner reserve on payment of 6d. extra.
- 3) In view of the tremendous amount of clerical work involved both on the part of the League and Grounds Authorities, the charge on coupons be abolished and that the Grounds accept an increased percentage on cash takings to 35 $\frac{1}{2}$ % and that the League waive its claim to 50 free tickets.

In support of the third recommendation it was pointed out to the Conference that the proposed new system is copied in its ~~entirety~~ entirety from the cities in the East where football has developed tremendous popularity. It has been so eminently successful there that experience now says "Adopt".

The restricting of Ladies tickets, the charge of 6d. extra to transfer from the outer to the inner reserve will all tend to increase the cash receipts.

In addition to the foregoing the League has decided upon a new system of allocation of gate monies. The future will see the gate money divided between the competing teams, which means a levelling up of strength amongst the teams, the extinction of the weak teams, better football with greater public interest and the natural sequence, better gates. Conference was quite satisfied that the proposed new arrangements are the outcome of experience which has brought success to the Eastern States and will surely spell success in big letters in this State.

At the instance of Mr. Rushton the Conference decided to recommend to the League the necessity for appointing a recognised closing date for football, to enable cricketers the use of grounds for practising. The suggested terminating date was the second week in September.

The meeting closed with a vote of thanks to the President and Secretary of the Football League.

CORRESPONDENCE

From Secretary Goldfields League relative to recent visit of the Secretary of this League and notifying that it would be impossible to send a team from the Goldfields to the coast this season

From the Secretary Claremont-Cottesloe Club applying for admission to the League and stating that a deputation consisting of Messrs. Rowe and Oliver would wait upon the League

On the motion of Messrs. Greif and Hyman the standing orders were suspended to permit of hearing ~~the~~ the delegation. Mr. Harold Rowe thanked the meeting for the courtesy extended him and in urging his club's claims for admission pointed out that it would represent a large district comprising a population of approximately 25000 and the club was already assured of solid support by the residents. His club had secured the use of the Royal Agricultural Society's Ground at a nominal fee plus 10 per cent gate receipts and his team would comprise mostly young players.

Mr. Myers apologised for the absence of Mr. Rowe's co-delegate and stressed the point that for many years past "soccer" held precedence in the Claremont district but people and players alike are now very keen to support the national game. He asked delegates to view the application purely from the standpoint of the national game and not as club representatives and also reminded the ~~next~~ meeting that the Royal Agric. Show Ground was used as a lever some years back by the League in its efforts to obtain better terms from other ground authorities.

In reply to Mr. Greif Mr. Rowe said his club would be prepared to enter the League either under district football or present conditions but his club preferred the former.

In reply to Mr. Ulrich Mr. Rowe stated that several members of other clubs had promised to join his club and to Mr. Moffat ~~the~~ Mr. Rowe said he was unable to say how many players would come from other clubs but assured him that no inducements would be held out to any players.

The President then thanked the delegation and on the motion of Mr. Cartmel seconded by Mr. Hyman the standing orders were resumed.

NOTICE OF MOTION

Mr. Moffat by the consent of the meeting moved the first portion of the motion relative to the introduction of district football notice of which he had given at the previous meeting. He accordingly moved "That district football be established and brought into operation for the season 1920 and continued from that time onward." Seconded by Mr. Cartmel. After discussion the motion was lost.

Mr. Moffat then moved in accordance with notice given to amend league permit regulations 1 and 2 by deleting the words "during the three seasons immediately prior to the year in which he applies for a permit or during that year" in lines 2, 3 and 4. and delete the words "Any player who has played prior to the period hereinbefore mentioned must obtain a permit from the Permit and Umpire Committee of this League before being allowed to play with a League Club" in Permit Regulation 2. Seconded by Mr. Leahy and Carried.

NOTICE OF MOTION

Mr. Greif to move "That the constitution be altered to enable Claremont-Cottesloe Club to be admitted to the League commencing season 1920.

Matson a member of the East Perth Club and also a letter from the Secretary of the South Fremantle Club of a similar nature were read and Mr. Greif moved and Mr. Hyman seconded that the matter be dealt with. Mr. Moffat moved that the matter take its ordinary course. In reply to Mr. Norton the President ruled the matter out of order on the grounds that the rules of the League had not been complied with. Mr. Hyman moved and Mr. Ulrich seconded that the Chairman's ruling be disagreed with. The President retired and Vice-President Moffat took the chair and submitted the motion which was lost. The President on resuming the Chair in reply to a question ruled that others than Club officials could not have access to League records.
